

10 October 1951

The Honorable Guy Gordon
United States Senate
Washington 25, D. C.

Dear Senator Gordon:

The Public Buildings Service of the General Services Administration informs me that to rent the

25X1

This cost is comparatively low because most of the buildings which we now occupy are temporary wooden buildings suitable only for use in an emergency which would have a low rental value if they were owned privately instead of by the Government. The cost of renting [redacted] feet of office space of permanent type construction at current market prices is estimated by the Public Buildings Service at [redacted] per year on a yearly basis.

25X1

It is requested that these figures not be included in the printed record of the Committee.

With kindest regards,

Very truly,

Walter D. Smith
